Options:

1. Wrap around bumper.
2. Polyurethane casters (5", 6" or 8" dia.)
3. All shelves, except the bottom shelf, with 3 edges up, one edge down. Add "-RE" after the model number. Reduces clearance by 1/2".
4. Bottom shelf all edges down, other shelves all edges up. Add "-U" after the model number.

Better food service equipment — standard models and custom designs.
