

## Extra tall & extra large heavy duty Queen Marys, aluminum & stainless steel.

390-A Meyer Circle • Corona, CA 92879-1078 • Phone (951) 340-3419 • Fax (951) 340-2716 • www.sammonsequipment.com

- Extra shelf clearance for tall objects such as wine glasses, coffee pitchers, chafing dishes, and other such items.
- Heavy duty all welded construction & Sammons quality.
- N.S.F listed.

These special Queen Marys are “off-shoot” of our existing product line of our Deluxe Queen Marys to allow more shelf clearance for these special items without giving up number of shelves. Also these large shelf sizes provide excellent carrying capacity. Bottom shelf is made of 14 GA. S/S (or 0.125” Aluminum) reinforced with 12 GA. S/S (0.125” aluminum) bolster channels for casters. Upper shelves are made of heavy gauge stainless steel (or aluminum) and two long sides are reinforced with fully boxed channels. In addition aluminum shelves longer than 60” have additional center “C” channel or rectangular tubing brace. 8” polyurethane tread casters (2 rigid, 2 swivel), straight push handle & wrap around bumpers are standard.

**5 SHELF ALUMINUM  
MODEL S-5065-5-72**

**6 SHELF STAINLESS STEEL  
MODEL S-5065-6-72-SS**
