These stainless steel cabinets are ideal for the storage of pots, pans, utensils, cans, boxes & other miscellaneous items. Shelves are adjustable and heavy duty constructions is standard.

Body: Constructed of stainless steel panels with solid base and top. Four vertical channels with key holes on 1 ½” centers are provided to hold shelves in place.

Doors: Heavy gauge stainless steel doors reinforced with 1” square s/s tubing and supported by stainless steel hinges. A 3 point latching system which secures the doors at top, middle and bottom and a built in lock are standard.

Shelves: Stainless steel shelves with edges turned down and in for rigidity are standard. Optional single and double reinforced shelves are available. Shelves are adjustable on 1 ½” centers.

Model S5100-4-2436-78-S

Model Number	No. of Intermediate Shelves	O.A. Dimensions (Inches)			Weight (Pounds)
		D	L	H	
S5100-2-1836-48-S	2	18	36	48	100
S5100-4-1836-78-S	4	18	36	78	205
S5100-2-2436-48-S	2	24	36	48	110
S5100-4-2436-78-S	4	24	36	78	225

Options:

1. For mobile unit with 5” casters (in lieu of 6” stationary legs), replace “-S” by “-M” in model number. O.A. height remains approximately the same.
2. These cabinets are also available without base with no stationary legs. O.A. height will be approximately 6” less.
3. Single or double reinforced shelves are also available. Consult factory.
4. Fixed (non removable) shelves.
