

**Heavy duty stainless steel security cabinets
non-insulated for correctional and institutional use**

These well built, heavy duty storage cabinets have fixed shelves. Sides and doors have perforations which allow easy viewing of boxes, products & other stored items. Cabinets roll easily on heavy duty 6” casters. Optional stationary legs are available.

- 18 ga. s/s intermediate shelves, sides, top, back & doors.
- 14 ga. s/s bottom shelf reinforced with 12 ga. s/s caster bolster channels.
- Perforated doors & sides for easy viewing of stored products.
- 6”x2” polyurethane casters (2 swivel, 2 rigid).
- Push handle & wrap around bumper.
