NSF

***16"x 22" Trays are single end loaded, one tray/pair of slides.**
While ordering, please specify model number followed by capacity and desired spacing. For example, to order aluminum cart for 14"x 18" trays with 4½" spacing and 24 capacity, specify model no. 9156-1420-24-4 ½. Other spacings and carts for different tray sizes are available. Please consult factory. **Cabinets for 14"x 18" trays will also accommodate 18"x 26" trays single end loaded. O.A. height may vary depending upon slide spacing selected.
