

Dish dolly standard & deluxe, aluminum

390-A Meyer Circle • Corona, CA 92879-1078 • Phone (951) 340-3419 • Fax (951) 340-2716 • www.sammonsequipment.com

- **High quality heavy duty poker chip type dolly for storing, moving, and dispensing dishes.**
- **Open from all 4 sides with flexibility of handling different size dishes including round and oval plates, platter, and bowls.**

This workhorse allows fast and efficient storage and movement of dishes from washer to dispensing areas. Stacks of dishes are held safely between uprights preventing spilling and breakage. Convenient height of majority of the models, wide track and compact design provide easy storage of dolly under most counters. Platisol coating of units at points of contact prevent dishes from chipping, scratching, and breakage.

Standard models are designed for specific size ranges. For greater flexibility, universal deluxe dollies, each with two adjustable adapters are offered which allow a larger number of possible arrangements to mix and match various size dishes, bowls, plates, and platters. 5" x 1 1/4" deluxe all swivel casters, 2 with brakes provide excellent maneuverability.

Style A
4 Compartments Standard Dolly
Model 9601-1011-240
