

- **An all purpose truck which takes the strain out of moving heavy loads around the kitchen, supply room and loading and unloading docks.**
- **Ideal for restaurants, hotels, hospitals and other sanitary places.**
- **2,000# capacity.**

This heavy duty platform truck saves time and increases efficiency. Indispensable around kitchen for moving all types of odd loads, including heavy stocks, food and equipment. Light hi-tensile aluminum construction makes it very easy to handle.

Shipped K-D. Just insert handle in the corner pockets and the unit is ready. No tools required. 2 rigid and 2 swivel 8" non-marking, NSF approved polyurethane casters with full perimeter bumper are standard. Manufactured in 5 platform sizes as shown.

Available to N.S.F. standards. Specify while ordering if N.S.F. compliance is required.

Options:

1. Brakes on swivel casters.
2. Fixed handle, add "-FH" after model number.
3. Mold on rubber wheels.
4. Balloon type cushion rubber wheels. (Reduces capacity to 1,800 pounds.)
